

## ICO GENERAL ASSEMBLY

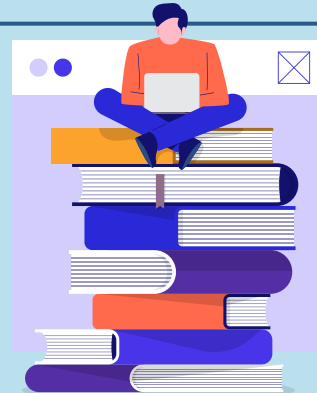

### ACCESS TO THE UN VIA THE ICO GENERAL ASSEMBLY

The ICO General Assembly provides its members with access to the United Nations subsidiary bodies, and the human rights mechanism.

#### 1) ICO COLLECTS NECESSARY INFORMATION AND DATA

ICO researches and collects the necessary information for your cause, making sure the reports are accurate and up to date before the submissions.

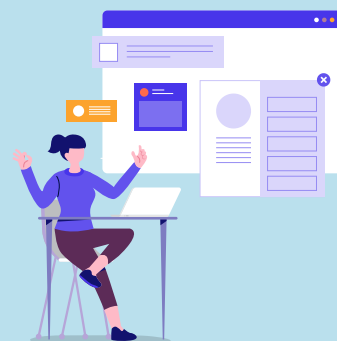

#### 2) ICO COLLECTS AND FILTERS INFORMATION TO CREATES YOUR REPORT

General Assembly members will join meetings with the ICO team to discuss your cause, and issues so we can create the UN contribution.

#### 3) CHOOSE YOUR CAUSE AND THE TYPE OF CONTRIBUTION

Select a focal point for your UN submission such as: minority rights, indigenous rights, right to development, land rights religion of belief and more...

#### 4) ICO ELABORATES A DRAFT

As a member, you will determine the key points of your content and ICO uses it as a guide so that there are no mistakes.

#### 5) HAVE YOUR WORK REVIEWED BY OUR EXPERTS

Our team of experienced experts in a variety of minority and self-determination issues will review the submission, making it sure to be of the highest quality, ready for UN submission

#### 6) PROOFREAD AND CORRECT

This is the time to check the narrative, and also punctuation and spelling.

#### 7) PUBLISH AND SHARE

Once it's approved, the ICO team will submit your contribution to the relevant UN body and also publish it on our website and social media.
